

INTA 2120

Intergalactic Security of the “Dune-iverse”

Instructor Info

David Muchlinski, Assistant Professor, Sam Nunn School of International Affairs,
David.muchlinski@inta.gatech.edu

No prereqs

This course will explore themes of international security through a semester-long student-based and student-led simulation of the Landsraad and Great Houses of the fictional sci-fi universe created by Frank Herbert’s Dune novels and the two recent movies. Students will role play as important characters or groups of characters from the novels to gain an understanding of critical issues in International Security.

Course materials:

None required at the moment.

Learning outcomes:

Students will be able to demonstrate knowledge of principal contemporary global challenges in the field of international security
