COURSE EXPECTATIONS AND GUIDELINES

Academic Integrity

Georgia Tech aims to cultivate a community based on trust, academic integrity, and honor. Students are expected to act according to the highest ethical standards. For information on Georgia Tech's Academic Honor Code, please visit <http://www.catalog.gatech.edu/policies/honor-code/> or <http://www.catalog.gatech.edu/rules/18/>.

Any student suspected of cheating or plagiarizing on an assignment, project or exam will be reported to the Office of Student Integrity, who will investigate the incident and identify the appropriate penalty for violations.

Accommodations for Students with Disabilities

If you are a student with learning needs that require special accommodation, contact the Office of Disability Services at (404)894-2563 or <http://disabilityservices.gatech.edu/>, as soon as possible, to make an appointment to discuss your special needs and to obtain an accommodations letter. Please also e-mail me as soon as possible in order to set up a time to discuss your learning needs.

Attendance and/or Participation

Please remember that your attendance and timely participation is key to your success in this course, as well as that of your classmates.

Collaboration and Group Work

Language learning occurs in a community of people. This semester, you will participate in multiple small group activities both oral and written.

However, the following forms of assistance are not allowed for doing any of the work in this course: copying (from someone else's assignments or from another source [a reading in a textbook, the Internet, etc.]) without clear attribution of the source; having another student, a tutor, or a friend suggest changes or correct the work you are to turn in; completing assignments in consultation with other students ("working together") unless specified by your instructor; translating directly from another source; and especially **using electronic translation programs**. These restrictions apply to any work turned in for this course, even daily homework assignments. The issue of digital plagiarism has raised concerns about ethics, student writing experiences, and academic integrity. GT subscribes to a digital plagiarism detection program called Turnitin, which may be used to check assignments submitted in this course.

Extensions, Late Assignments, & Re-Scheduled/Missed Exams

No late assignments or extensions will be granted. Please plan accordingly. Contact your instructor in the case of extenuating circumstances.

Student-Faculty Expectations Agreement

At Georgia Tech we believe that it is important to strive for an atmosphere of mutual respect, acknowledgement, and responsibility between faculty members and the student body. See <http://www.catalog.gatech.edu/rules/22/> for an articulation of some basic expectation that you can have of me and that I have of you. In the end, simple respect for knowledge, hard work, and cordial interactions will

help build the environment we seek. Therefore, I encourage you to remain committed to the ideals of Georgia Tech while in this class.

Campus Resources for Students

The Center for Academic Success (success.gatech.edu/) offers a variety of academic support services to help students succeed academically at Georgia Tech (e.g. tutoring, peer-led study groups, study skills, etc.).

The Office of Disability Services (disabilityservices.gatech.edu/) ensures that students with disabilities have equal access to all programs and activities offered at Georgia Tech. They provide documentation and officially sanctioned requests for accommodation for students, and serve as a resource for instructors as they build learning environments to meet the needs of all students.

OMED: Educational Services (omed.gatech.edu/) is the unit charged by Georgia Tech with the retention, development, and performance of the complete student learner who is traditionally underrepresented: African American, Hispanic, and Native American. OMED's programming and academic support services are aimed at equipping all students with strategies to navigate the Georgia Tech environment.

HOMEWORK & CALENDAR

- This calendar is aimed at making your learning easier. I spread the homework as evenly as possible to ensure a regular learning process. I urge you to do the homework as advised rather than waiting for due dates, which would put unnecessary pressure on you. If done on a regular basis, it will seem like very little. Moreover, you will learn faster because you will come to class prepared, which in turn will help you participate and feel more comfortable in the classroom.
- Preparing in advance will also enable you to identify potential problems. Write down any questions that you may have. Either ask them in class or e-mail them to me or visit my office my office hours.

- If you ever feel uncomfortable about something in class, if you want me to focus on one aspect of your learning (pronunciation of a certain sound, grammar, vocabulary etc.) or if you need additional practice, let me know. My office hours are devoted to you. Never hesitate to come and talk to me or email me. I want to hear from you.
